

Agronomist, West Central Saskatchewan

Start date: prior to May 1st

Max Ag Consulting Ltd. is an independent agronomy consulting company based out of Plenty, SK, and serving west central Saskatchewan. Our focus is on providing advice and services to our customers in order to increase the yields and profitability of their farming operations.

Currently we service over 140,000 acres in our trade area with multiple service offerings: Full Service Field Scouting, SWAT MAPS variable rate fertility & seed, Crop Intelligence moisture probes, among others. We are a small, actively growing company with lots of room to expand your skill set/role, and opportunity to grow your influence within our trade area and within the company.

We are currently seeking a Full-Time Agronomist to help us deliver our service offerings to our customers in west central Saskatchewan, with the specific location being flexible.

Qualifications

- A post-secondary degree or diploma in Agriculture or related field.
- At least 2 years of agronomy experience is an asset, but not required.
- Valid Class 5 Driver's License.
- Duties will require independent work within a team atmosphere.
- Ability to work out of a home office when not performing in-field functions.
- Willingness to work in an outdoor setting, along with overtime as needed during peak season.
- Applicants must be registered or become registered with the Saskatchewan Institute of Agrologists as defined by The Agrologists Act.

Duties and Responsibilities

- Conduct field scouting visits regarding plant stand/establishment, herbicide timing/efficacy, insect and disease management checks.
- Perform soil tests and plant tissue tests as needed, including analysis to perform recommendations.
- Carry out functions in regards to the SWAT MAP process, including mapping, soil sampling, plant stand & crop assessments.

- Conduct analysis through the winter months in regards to fertility & seed recommendations, soil moisture data, yield data, etc.
- Investigate and evaluate potential opportunities to provide further value to our customers.
- Strong communication skills are needed not only with our customers, but within our team to further our knowledge and expertise.

We provide a competitive salary with a full benefits program for the successful candidate, as well as a company vehicle, ATV, laptop, cell phone, and all other equipment as needed.

Please send your cover letter and resume to Mike Palmier at mike@maxag.ca if you are interested in this exciting opportunity!
